Annual Fund Campaign 2009-2010

The school year is off to a great start!

Last year's Annual Fund initiative was a great success with many families making a donation to the school. We are anticipating providing additional funding for our student's classrooms. Thanks to you, we completely outfitted the science department with new microscopes, added 15 new projection systems, started 'LIVE' announcements in the Upper School, acquired 95% of the preschool needs, obtained activity tables, DVD/VCR players, circle time mats, puppets, USB drives, listening centers, toy cars, keyboards, band equipment and so much more.

Now, more than ever before, we need your help. There are vital needs in the areas of financial assistance (needs based), technology, facilities, security, and academic/programmatic enhancements. Your gift will be an integral part of helping the Annual Fund reach its \$100,000 goal.

We have already started receiving donations and are well on our way to achieving our goal!

I ask that you consider making a financial commitment to the success of ECS. All gifts will not be equal in amount, but each will be equal in importance as we strive to reach our goal.

Please consider a gift for the 2009-2010 Annual Fund. Together, we represent many elements that will make our Annual Fund successful.

For Christian Education,

Dr. John Hunte

John Hunte, class of '84
Headmaster

P.S. Your Annual Fund gift can be given where needed most or designated to a particular school program (e.g. Fine Arts, Athletics, Financial Aid)

Note: Event dates may change. Please consult the ECS online calendar for the most recent news and updates.

If you are considering leaving a legacy to ECS- wills, life insurance policies, retirement accounts, stocks, bonds, mutual funds, memorial gifts, real estate, boats, airplanes and vehicles. Please contact Lisa Spearman at 239.936.3319 x1308.
