Welcome Letter

Dear Parents,

We appreciate your interest in the Preschool at Evangelical Christian School and are committed to making your introduction to our school both welcoming and informative. We invite you to visit our campus for a personal tour. Choosing the right preschool for your child is an important decision you make as a parent.

The Preschool at Evangelical Christian is filled with excitement in a warm and comfortable environment. Each student is free to explore and stretch their imagination to the limits. Our preschool program provides a stimulating and enriching experience for each child in preparation for school.

ECS is known for providing a quality education by building a firm foundation for students academically, spiritually, physically, socially, mentally, and developmentally. We use the A-Beka curriculum, which is traditional and Christian. The A-Beka curriculum keeps learning lively, interesting, and memorable. It uses basic Biblical stories with concepts appropriate for young children and readiness activities include the development of skills and understanding in the areas of visual and auditory perception, language, shapes, colors, and numbers.

At ECS we also feel that it is important to give opportunities for parent involvement so we offer special events for you to come enjoy time with your child throughout the year. Those events include Muffins with Mom, Donuts with Dad, Grandparents Day, Fall Festival, K3 spring presentations and class parties.

We look forward to meeting you and your family. We also encourage you to call the preschool to schedule a tour of our facility or to ask any questions you may have.

Sincerely,

Karen Davis

Handbook & Picture Release Form

Handbook

I have read and understand the Evangelical Christian Preschool Parent Handbook and the Standard of Conduct of Evangelical Christian School, and agree to abide by them. I agree to fully support the school in its enforcement of the Handbook and the Standards of Conduct. Evangelical Christian Preschool is a Christian ministry organization. I agree not to make demands, threaten to sue, make any kind of accusation or complaint, or actually litigate any matter whatsoever relating to or resulting from the enforcement of the Handbook and the Standards of Conduct. To do otherwise would be clear violation of Biblical teaching and practice.

If the contents of this handbook are known and the guidelines followed by all, the school will function smoothly and efficiently and there will be less friction and misunderstanding. This harmony will result in greater academic achievement and a greater degree of satisfaction for all.

When you enrolled your child, you indicated your full cooperation in assuring the established rules, regulations, and policies of ECS are followed. A lack of knowledge will not excuse a parent from the responsibility of obeying it.
